

## Learn How to Lead Change: Preview Influencer Training<sup>®</sup> from Crucial Learning

Join us Tuesday, January 25, at 11 am ET for a virtual preview of Influencer Training, a course that helps leaders design and implement impactful change in their organization.

Attend this virtual course preview and learn:

- How to influence results in your organization by improving process, profitability, safety, service, and more.
- How leaders achieve better results by changing human habits that are extraordinarily difficult to alter—especially those that mire down teams and organizations.
- How you can bring Influencer Training to your organization.
