Here's What's Happening at The Zone

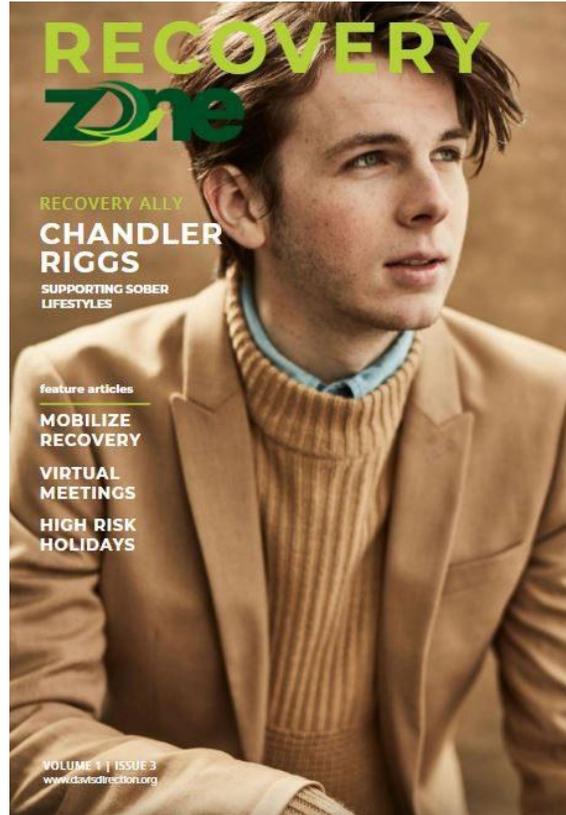

As we roll into Summer and see our meeting attendance pick up, it gives us great hope! We are seeing our community come back together and donations have picked up for the meal program.

We want to take this opportunity to thank everyone who has been beside us for the long haul of Covid and tell you, we could not have done it without you. Thank you for the sacrifices you have made to help us Fight Addiction and Fuel Recovery.

Although over the last year, we have lost over 100,000 beautiful souls nationally, we have some exciting things on the horizon as organizations throughout the country begin to gear back up to battle this opioid epidemic. We welcomed Newt Gingrich into The Zone to speak to our population. His words were encouraging and his ideas are spot on. Look for his interview in the 5th issue of Recovery Zone magazine. Pray with us as we seek to be the best organization we can be as we passionately continue to save lives.
