Training for Adoption Competency (TAC) is a postgraduate curriculum created by the Center for Adoption Support and Education (C.A.S.E.™). TAC is a comprehensive, evidence-based training designed to provide mental health professionals and master's level child welfare and adoption professionals with the clinical knowledge and skills needed to effectively serve the adoption kinship network. TAC is accredited by the Institute for Credentialing Excellence and is the only accredited, assessment-based certificate program on adoption competency in the country.

TAC Benefits

- Gain in-depth understanding of core adoption issues, current clinical tools, and evidence-based approaches.
- Develop advanced practice skills through clinical case consultation from adoption competent experts.
- Receive priority for client referrals through the Georgia Center for Resources and Support.
- Receive national recognition in the C.A.S.E. Directory of TAC Trained Mental Health Providers.
- Earn CEUs.
