## **Year 1 in Review**

### **Thanks to your support...**

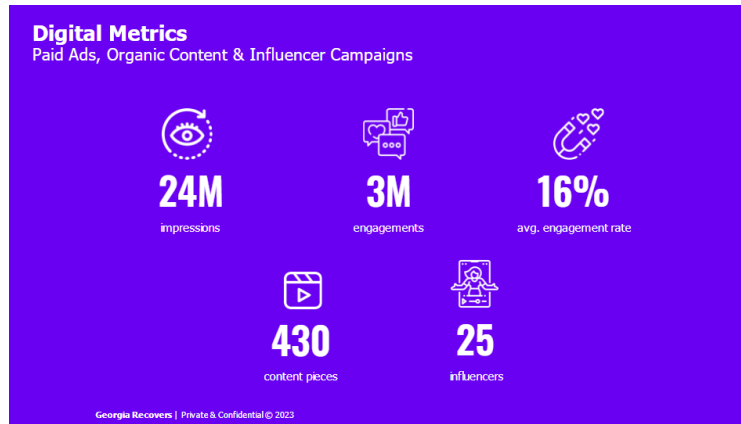

**We've onboarded 70+ community partners**

---

**We've collected 30+ stories**

**We've reached over 13 million Georgians**

---

## **Special thanks to the Community Impact Committee**

The Community Impact Committee (CIC) is a multi-disciplinary taskforce made up of community advocates that provide ongoing guidance to various elements of the Georgia Recovers campaign. The goal of the CIC is to ensure the voice of the community is present and being heard at the decision-making table.

**Johnna Anderson, Self Discovery 24**  
**Jennifer Langston, Reboot Jackson**

**Kaela Chang, Girl Talk Inc.**

**Chetana Mastroberardino, 988 Emergency Responder**

**Heather Woodard, New Roots Glynn**

Jimbo Partin, Gardens of Hope  
Catherine Tootle, Freedom Through Recovery

---

## Share Your Story with Georgia Recovers

Thank you for supporting the Georgia Recovers campaign. Throughout the campaign year, we've collected stories from people in recovery, their families, friends, and advocates across the state, and we're hoping to collect more. **We're seeking story sharers who identify as Hispanic/Latinx.** This is a priority population for our campaign, and we want to ensure the Hispanic/Latinx community is appropriately represented. Schedule your interest call by clicking "Share Your Story" below!

## What's Happening in Georgia?

To help us highlight resources and/or upcoming events in the Georgia Recovers monthly newsletter, email [GeorgiaRecovers@shatterproof.org](mailto:GeorgiaRecovers@shatterproof.org) with flyers and corresponding information. We are excited to share!

This is a message from [Georgia Recovers](https://www.georgiarecovers.org/) - a public health intervention aimed at reducing prejudice and discrimination around substance use disorder across Georgia.
